Are You Eagerly Watching and Waiting for The Lord? He Will Come Back You Know!

Sacred Time

- Time is too slow for those who wait, to swift for those who fear, too long for those who grieve, too short for those who rejoice, but for those who love, time is not.
- Lord, we thank you for your gift of the seasons, through your reflected beauty, they help us mark the passing of time.
- Bless with your special accuracy those who help us be organized and on time, who help us keep our schedules and appointments.
- Bless us with sensitivity when we impose on the precious time of others.
- For those whose time is now eternity, share the blessing of your light and peace.
- You said, "watch and pray, for you know not the day or the hour."
- May the anticipation of your coming turn us to you each day.
- Take us from the guilt and failure of the past by deepening our faith in your forgiveness.
- We are like lost sheep. However, when we use our time to listen for your voice, we are led in time to you.

- Praise the Lord for His undying Love for us.

Prayer Requests

Psalm 46:1

"God is our refuge and strength, a very present help in trouble."

- Please pray with us concerning additional housing, as we seek the Lord's blessing through donations to assist with this project.
 - Pray specifically for a property that has come available which would be ideal for the ministry. Pray for God's perfect will on the matter, as He leads us each step of the way.
 - Pray for the Lord's guidance on the decisions which need to be made regarding the choice of a house or houses.
 - Pray for those who are going through difficult situations in their life presently. Pray the Lord will give them strength to listen to Him and follow His direction.

"Jesus Loves Me This I know for the Bible Tells Me So"

Do you really believe He died for your sins? Are you just saying words, or do you really mean it? Do you really believe Jesus loves you in spite of your past or even your present? Do you believe it strongly enough to give your life to Him completely?

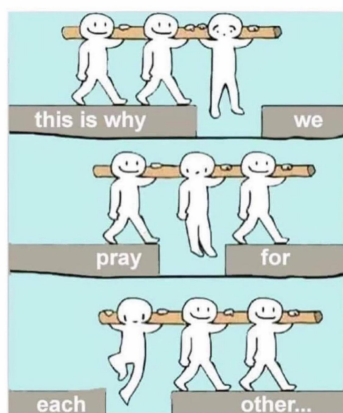

Thinking seriously on this:

**He knew you then
He knows you now
And He loves you**

Yes, in spite of anything that you've done in the past or even anything that you've been doing in the present, He still loves you. It does not mean that he condones what you do or have done, it just means He loves you with an undying love.

Hard to accept, I'll say it is, but once you accept it and accept Him, your life will change for the better and you will have His gift of Eternal Life with Him.

God is not like Costco
You can't play the salvation card and get whatever you want!

Volunteers Needed!

With several new projects ready to get started and many more on the back burner, we are looking for people who have a heart for this ministry and the love for God's people. People who are willing to devote some time, whether it be a lot or a little, is between the individual and the Lord.

With direction from our Lord, any time given will be utilized to assist in the growth of this ministry that has been placed before us. This is your chance to work for the Lord in a new and different way. Helping others who are in dire need, who are trying their best to get back on their feet and be a productive servant of the Lord for His Kingdom and for the society in which we live. Assisting us in setting up new and better programs and services so when people come out of prison, they will have secure footing to serve the Lord and others and meet all of their own needs.

Please pray about your possible involvement in this ministry. If you feel the Lord is leading you to help, please contact us to discuss the possibilities. You can call or text 602-813-8283, email us at John@azeaglesnest.org or write to us at the address listed below.

We look forward to hearing from you. Please pray with us concerning this need.

New Project

We are undertaking a gigantic project to learn more about the possibility of getting grants to assist in the purchasing of more houses and to pay off current houses, plus operating expenses. In addition, we are developing a program seeking donations from interested individuals and/or companies.

We are seeking the Lord's guidance in these areas, as we know, only He can provide for our needs, as He sees fit. Please pray with us on this matter. If you have any knowledge in these areas or know of anybody that has knowledge in these areas that would be willing to assist us, please contact us. There will be more information concerning donation needs in the next few weeks.

Thank you all for your interest and support of our ministries.

Philippians 4:19

Freedom **R**econciled **E**agle **E**vident

"If the Son sets you free, you shall be free indeed"

John 8:36

Four months ago, I found myself staring reality in the face, point blank, as the realization became evident, I had no place to go after my release.

I had written various places I thought would accept me, but none ever did.

All except one... Eagles Nest

I must admit though, the thought of going to the types of housing I had heard about in the past, did not sit well with me. I had always thought these places were bad and were filled with people I wanted to avoid.

However, I'm no longer concerned about this at all due to my experience here at Eagles Nest. The love and security I felt the second I stepped out in the parking lot at the parole office, after the transport van dropped me off, and Eagles Nest picked me up, was remarkable. My old life ended, and **my new life began**

"But now we have been released from the law, having died to that which we were bound, so that we serve in newness of the Spirit and not in oldness of the written code." Romans 7:6

It is a day I will never forget! How the Lord so graciously led me to a place of comfort that was willing to accept a wretch like me, with nothing, and gave me everything in the encouragement, support and love I needed to help me succeed in my new journey and second chance at life.

Oh "How Sweet the Sound" to be free & to have a family who care so deeply for me.

There is always hope
All that is left to do is...
JUST ASK

"Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you."
Matt, 7:7

Take it from me as the newest member of the Eagles Nest Family: There is such a thing as miracle blessings and believe you can experience them as well.

Take Care and Take Christ everywhere with you.

Treasures From Inside Freedom

There are places I will never go,
And things I'll never see,
People that I can't forget,
Who won't remember me,

I may never drive again,
Or pet a scruffy dog,
Skip a stone across a pond,
Or just sit upon a log,

Can't have dinner in a restaurant,
See a movie with some friends,
Sit out on a porch swing,
And just listen to the wind,

Yes, it sometimes bothers me,
The things I cannot do,
But they seem to lose importance,
When they're compared to You,

Can't grab a soda from the fridge,
Kickback in a recliner,
Or take a cruise to Norway,
In a luxury ocean liner,

But I can get down on my knees,
As I am prone to do,
And come within Your presence,
To spend some time with You,

Sometimes I miss my comfy bed,
And my recliner chair,
But when I want to talk to You,
I find You're always there,

The Creator of the Universe,
Loves me enough to come,
To visit me in prison,
And treat me as His son,

So, I may sleep on steel at night,
And sit on steel by day,
But I'm always in Your presence,
And Your Word takes me away,

To a place where there's no razor wire,
And beds aren't made of steel,
Where all the promises in your word,
Are so much more than real,

I've traded in the rubbish,
Of what my life used to be,
And just because I can't roam the world,
Doesn't mean that I'm not free.
