## Special Urgent Prayer Request

Last week Jimmy (Keys) and I met with various doctors to receive test updates and make treatment plans.

The cancer attacking Jimmy is stage 3. It started in his right tonsil and it's affecting several Lymph nodes in the right side of his neck (and possibly a couple in the left side of his neck). As we were reeling from this news, Jimmy received a call from his doctor informing him there's a suspicious spot on his rectum. He will see a doctor Tuesday to verify or dismiss.

On May 9th, he will start radiation and aggressive chemo. Each weekday he will receive radiation treatment for six weeks. He will receive chemo two more times three weeks apart. The doctor told us that they will be basically killing Jimmy with the hope the cancer cells will remain dead while the rest of his body revives.

I know from experience what Jimmy will be going through. Please lift him up continuously before our Father. Any encouragement you send will be forwarded to him. On a selfish note, please pray for those of us supporting him. We love him so very much and it's difficult watching him go through it.

The doctors are very hopeful that Jimmy will be cured.

## Hurting People

People are hurting everywhere  
They have sorrow in their hearts  
They are so lonely everyday  
From our God they're far apart

Do we care or even see them  
As we live our lives each day  
Does our Lord want us to reach them  
And teach them His redeeming way

Oh, the peace that we could show them  
If we cared enough to try  
Show them our beloved Jesus  
And that He came for them to die

Hurting people all around us  
Our God loves them everyone  
And He calls for us to tell them  
Of His One and only Son

## Founder's Corner

She is a magnificent creation of God, created in His image and for His pleasure and purpose. She is so very lovely in His eyes. She is of incredible value to Him. He sent His son to die for her sin and restore her to Himself. He delights in her. Just like He delights in you...

She has family – a mother and father, grandmother and grandfather, perhaps siblings and extended family, maybe even children. She is a person, much like you...

She has friends that value and love her. She is a person...

When you look at her with lust in your mind, you diminish her to an object – no longer a person... It makes God very sad, because He loves her so! It makes God very sad, because He loves you so!

Recently many of the Eagle men have been reviewing and creating their sex history. Sometimes I hear about their struggles. Sometimes I hear of the ridiculous and sinful assignments in which they are expected to participate. Sometimes they come to me to confess falling into pornography. All these things break my heart, because I know how much it diminishes the object of their lust and I know how much it damages the men I love so much. It breaks my heart, because it breaks the heart of my Lord.

Please guard your hearts, minds, and eyes.

I love you,

Deb

**"But I tell you that anyone who looks at a woman lustfully has already committed adultery with her in his heart."**

Thoughts from Sekou

God has revealed to us, the stakes have been raised for the responsibilities of Eagles' Nest Ministries & To The Least of These Adult Only Church. It is imperative we, first develop a relationship with each individual seeking to become a resident with us, 1-4 years prior to their release (when possible).

Secondly, develop an ongoing relationship (mentorship) with all individuals who have become a part of His flock at To The Least of These Adult Only Church. We must be totally effective and accountable with God's resources under the direction of the Holy Spirit.

## A Word From Loretta

Whether we are having a bad day, or we are dealing with ongoing trials, or even in times when it feels like we're surrounded by troubles on every side, even if everything we thought was stable crashes down around us, we never have to fear!

God promised to always be with us. He is always available and able! He is our refuge and strength, an ever-present help in trouble. He is always only a prayer away! When we call on Him, we can trust Him to keep His promises to comfort, strengthen us and provide all our needs.

When we are aware of His presence with us, He brings hope and help to sustain us through life's challenges. God never changes, His promises are true. His power is evident and effective. And also, praise God, He created His followers to prayerfully support and encourage one another. Psalm 46 (see below)

Thank you Jesus!

Loretta

### Psalm 46:1-11

*"To the chief Musician for the sons of Korah, A Song upon Alamoth. God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. Selah. There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the most High. God is in the midst of her; she shall not be moved: God shall help her, and that right early. The heathen raged, the kingdoms were moved: he uttered his voice, the earth melted. The LORD of hosts is with us; the God of Jacob is our refuge. Selah. Come, behold the works of the LORD, what desolations he hath made in the earth. He maketh wars to cease unto the end of the earth; he breaketh the bow, and cutteth the spear in sunder; he burneth the chariot in the fire. Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth. The LORD of hosts is with us; the God of Jacob is our refuge. Selah."*

## Riches

**This is nothing compared to the riches we have in Christ Jesus!**

***"But my God shall supply all your need according to his riches in glory by Christ Jesus".***  
Philippians 4:19

This is a promise you can depend on, but remember it **does not say** all our wants and desires. It says all our needs and who knows our real needs, only Him!

**Trust & Obey**  
(Great words to live by)
