God's Recipe

Many of us have a favorite meal or dessert recipe that always turns out well and is enjoyed by us and those we share it with. God's Word gives us instructions, like a recipe, for a blessed and effective Christian life! Just like a tried-and-true recipe for food, we have to follow the directions exactly and we can't omit or substitute any of the ingredients, or it changes everything and doesn't turn out with the expected result.

God gives us the recipe and provides all the ingredients, we just need to receive and use them; His power, His promises, and all that we need, including faith, love, knowledge, understanding, patience, and self-control.

As we follow His directions, we will see more and more of His power and blessings in our life! Don't change or forget any of God's ingredients and then blame His recipe when things go wrong!

When we follow His recipe, and use all the ingredients (the Name brand, no substitutes) He gives us, we will get to know Him better and better, and He will give us everything we need to live the blessed life He has planned for us, and plenty to share with others! Thank you, Jesus! 2 Peter 1:1-11 Loretta

To the Least of These Adults Only Church Praise & Worship Team In Action

Serving the Lord each and
every Saturday Evening
Service

We are extremely grateful to the Lord for providing the high caliber of talent he has brought to our family. In addition, we are very appreciative of the sacrifice of time and money these men have made to consistently serve the Lord and the church in this essential component of worship. They bring joy to every service.

The team is actually larger than shown here but because of space issues and duplicate instruments, people swap off from week to week.

Members Include: Kevin Y. (Leader & Primary Vocal) - Keyboard/Guitar, Mike M. - Primary Bass Guitar, Sekou A. - Lead/Rhythm Guitar, Kris A. - Percussion, Richard B. - Bass Guitar, Richard G. - Guitar, Blake E. Vocals, Kevin R. - Technical Director, Eric C. - Assistant Technical Director.

What Would You Change

The devil appeared to three Pastors and said to them: "If I gave you the power to change something in the past, what would you change?"

The first of them, with great apostolic fervor, replied: "I would like to prevent you from leading Adam and Eve to sin, so that humanity does not separate from God."

The second, a man full of mercy, said to him: "I will prevent you from straying from God and condemning you forever."

The third of them was the simplest and instead of answering the tempter, he knelt down, bowed his head and prayed: "Lord, deliver me from the temptation of what might have been and what was not."

The demon, screaming and trembling with pain, fled.

The other two were surprised and said to him: "Brother, why did you react like this?"

And he answered them: "First, we should never talk to the enemy."

"Secondly, no one in the world has the power to change the past."

"Third: Satan's interest was not to prove our virtue, but to trap us in the past, so that we neglect the present, the only time God gives us His grace and we can cooperate with Him to fulfill His will."

Of all the demons, the one that most holds men back and prevents them from being happy is "what could have been and was not."

The past is left to the mercy of God and the future to His providence. Only the present is in our hands. Live today loving God with all your heart.

Are You Listening?

When the Lord calls you will He find you listening? We cannot judge how others are living, we can only judge ourselves as to whether are we watching, listening, and actively doing His will and work.

We must be honest with ourselves otherwise we deceive ourselves. There is nobody to blame but us when things go wrong. He directs us to listen to the Holy Spirit's leading.
